GIEHLS ARRESTED

Young Chiropractor is Charged With Practicing Without a Proper License—Several Local Physicians Behind Prosecution.

A warrant was issued by Squire Fred W. Bauer yesterday for the arrest of Mr. Roy Giehls, who opened offices as a chiropractor in this city. The warrant reads for practicing without a proper license.

Mr. Giehls has been in this city for only a few days, having opened his office in the First-Standard Bank. He had previously been in Iowa in this city. His home is in Ohio, where he has also practiced his science.

The laws of Kentucky requires that every person practicing health restoring science procure a proper license in order to be able to practice. This Mr. Giehls overlooked doing.

It is generally understood that several of the local physicians are the ones that have preferred the charges against the young man. The trial has been postponed until next Tuesday afternoon. Hon. Frank P. O'Donnell represents the defendant.

The condition of Mr. John Crane, whose illness was noted in yesterday's Ledger, is not improved this morning.

Mrs. George Garrison of Murphysville, who has been very ill with the grippe, is improving rapidly.

LOWER COURT AFFIRMED

In the Court of Appeals at Frankfort yesterday the judgment of the Mason Circuit Court in the case of Fred Hayes vs. the Commonwealth was affirmed.

Hayes was tried during the September term of the lower court and convicted to a three year term in the penitentiary for obtaining money under false pretenses. The case was appealed. He was represented by Hon. A. D. Cole of this city.

NAME WAS WRONG

In the announcement of the candidacy of Mr. Donovan for County Assessor we published his name yesterday as Arthur L. Donovan. This was a mistake on our part as Mr. Donovan's name is Elmer. As we had the announcement it was Mr. Donovan's father running for assessor.

WENT TO CINCINNATI

Hon. William D. Cochran was in Cincinnati yesterday, having an X-ray picture taken of the arm injured while campaigning in Lewis county last fall. The arm has been bothering him very much for several days past. The examination found no serious trouble.

D. Hechinger & Co., who are always on the lookout for up-to-date merchandise, received yesterday a shipment of shirts from Japan. This order was placed in April, 1916—nearly a year ago. They are quite attractive—just different from shirts made in this country, and it will be worth your while to drop in and give them a look.

FINAL SALES

Of the Week on the Local Tobacco Market Are Reported to Be Over a Million Pounds.

The total sales as reported to the Ledger for yesterday reached a total of 1,112,370 pounds as sold for the day at prices ranging from \$9 to \$45 per hundred pounds. The average for the day will run considerably over \$17 per hundred.

The quality of tobacco brought to the market during the past week was fair, very few good crops being offered. Many of the growers are holding back the best portions of their crops for later in the season. The receipts during the past week have been the heaviest of the season.

According to the figures given to the Ledger during the past week a total of 2,994,325 pounds of the weed have been sold. At several of the houses a large amount of tobacco still remains on the floor, the buyers not being able to get to it. Two sets of buyers are being used.

The following were the sales yesterday:

DEATH OF JOHN T. LINVILLE

(Mt. Olive Tribune-Democrat.)
John Thomas Linville, one of Robertson's aged and highly respected citizens, died at his home on Johnson near Mitchell's Mills, last Thursday evening at 5 o'clock, of heart trouble, in his 80th year. Burial in Mt. Pleasant Cemetery, Fleming county, Saturday.

Mr. Linville was one of our county's quiet and best citizens. He was a farmer and a Confederate veteran. He is survived by his wife and five children—William M. Morgan and Samuel Linville; Mrs. Charles W. Linville and Miss Gertrude Linville. He is also survived by one brother, W. B. Linville of Kenton town; and two sisters, Mrs. Martha M. Craycraft of Cincinnati and Mrs. Mary Ellen Mullikin of this county.

SERIES OF SERMONS

Beginning on Sunday evening, January 14, the minister of the Christian Church will deliver a series of sermons of the "Christian and His Duties." The themes are:
"The Christian; Who Is He?"
"The Christian and His Convictions."
"The Christian and His Money."
"The Christian as a Wife."
"The Christian as a Husband."
"The Christian and His Health."
"The Christian as a Citizen."
"The Christian and His Church."
Different persons in the city have been asked to give their answer to questions growing out of these themes. These will be used in shaping the character of the discourses given.

BADLY BRUISED

Mr. Fred Cogan, the messenger at the Western Union Station in this city, was badly bruised on Thursday when he fell from his bicycle. He was coming down the street when he met an auto. In endeavoring to get out of the way of the approaching machine he fell from his bicycle and suffered several severe bruises and a wrenched knee.

The Board of the Woman's Club will meet Monday afternoon at 2:30 at the club rooms.

THAW, IMPROVING, IGNORANT OF ARREST

Philadelphia, January 12.—Plans for the removal to New York of Harry K. Thaw, who yesterday attempted to commit suicide in West Philadelphia, as he was about to be surrendered to the New York authorities on charges of kidnapping and assaulting Fred Gump, Jr., of Kansas City, as soon as he is able to leave the hospital, were discussed at a conference late today between counsel for Oliver A. Brower and representatives of the Thaw interests in this city and Pittsburgh. At the conclusion of the conference it was announced that no efforts to prevent his removal are likely to be made.

Brower, who was arrested here under the name of O'Byrne and who is under indictment in connection with the Gump charges, was today held without bail to await requisition papers that will remove him to New York.

Thaw's condition was reported to-night as good, and unless complications arise his physicians say he will be able to leave the hospital within two weeks. Dr. Elwood R. Kirby, of this city, who was summoned by the Thaw's family to attend him, said he felt sure Thaw had not taken slow poison tablets. Dr. Kirby said it probably would be forty-eight hours before Thaw would be able to talk or make any statements.

"He is only able to eat liquid foods," said the doctor, "and these are given him through a feeder. He does not know he is under arrest."

New York detectives went to the hospital today to talk to Thaw, but the physicians would not permit him to be disturbed.

SHIPPED MATERIAL

Messrs. Schofield & Jones, the contractors, have been in this city for the past few days getting ready their various implements and material used in laying brick streets in the down town district, in order to ship them to their headquarters in Newport. These gentlemen were the first to complete their contract, although they were held back several weeks on account of non arrival of brick. They were both very pleasant gentlemen and we wish them success in similar contracts in other cities and in this city if they ever return here again to lay streets.

FREIGHT COSTS SOMETHING

The M. C. Russell Co. yesterday received a carload of salmon from Seattle, Washington, with a small freight bill attached—only \$400. That sounds like the fellow who said if he was liberated from prison he would go so far away that it would take \$9 to send him a postal card. But we have to have our salmon salad, even if we do have to pay \$400 freight to get the raw material here.

Mr. George Hunter of Adrian, Mich., a reporter on a daily in that city, is spending a few days in this city.

ENTERTAINED

Miss Beulah Ginn entertained a number of her friends at her home on East Second street last evening. About 25 were present. Dancing was the order of the evening. Delicious refreshments were served by the hostess.

NEW COLD WAVE FOR TONIGHT

A decided fall in the temperature by tonight is predicted by the Weather Bureau at Washington. Yesterday was somewhat warmer than the day before and the temperature is even warmer this morning.

Clothes Talks.
As has been our custom during this month for many years, we are making generous price concessions on all merchandise rather than carry it over. Of course, this may seem rather phenomenal this season, in face of soaring prices and the uncertain condition of the woolen market, yet we are going to adhere to our old custom, and give you the opportunity to supply your wants from our dependable merchandise at reduced prices.
Now is the time to get a good suit or overcoat—one that you can wear the rest of the season and have perfectly good for next. And let us give you another tip: We may not be able to guarantee the merchandise next season like we do this. So in face of all these conditions we advise that you buy now, as we offer such generous reductions.
